About 30 minutes from Malaga Airport in the direction of Antequera the land of 170 hectares is in gently, rolling countryside with easy access to the main carretera and lovely views to the nearby mountains.

The farm building includes 6 horses? boxes around the main patio with a further 11 elsewhere. Numerous barns stabling areas, riding arenas and out buildings, totalling approx. 1800 sm. At present there are 120 horses.

The main house has, on two floors, 7 bedrooms, 3 bathrooms, all rather typically Spanish country style. A smallish kitchen with dining area and small sitting room with fireplace. The feature of the house, leading from the attractive entrance hall is an enormous reception room with beamed ceiling and a huge fireplace.

Adjacent to the house with separate entrances are two ...
