Hacienda Guaro Viejo is a recently completed small rural tourist rental business. Ideal for someone wanting to move to Andalucia, Spain and run a small business.

There are three buildings, one the main owners house or could also be rented, with three bedrooms, one master with bathroom and two twins with one bathroom for children. Living room, dining room, kitchen and large terrace, reception area. The other two buildings consist of three flats each with a double bedroom and bathroom and two pull out sofas. Each has a salon and small kitchenette. Airconditioning and heating. There is a small community pool. Plenty of parking and situated in lovely countryside but with easy access to several towns and Malaga airport being only about 40 minutes away.
