Villa in Guadalmina Baja, San Pedro de Alcántara

Ref: R170-02578

Bathrooms: 4 Bedrooms: 5

Plot m²: 4807 Built m²: 863

Located at the end of a dead end road this fully renovated villa enjoys stunning views of the sea, La Concha and well kept Roman ruins adjacent to the property. Accessed through a forecourt with a fountain, the house sumptuously decorated, has an octagonal entrance hall enhanced by a domed skylight window.

A library features a marble fireplace and built-in bookshelves. The double reception room opens through arched doors to an open shaded terrace, affording sea views. A formal dining room with a domed ceiling adjoins. There is a cloakroom and three bedrooms, one with a fireplace and en suite bathroom, the other two sharing a bathroom. The central island kitchen leads to an informal dining area with beamed ceiling and down to a basement that houses the temperature-controlled wine cellar. To...
